

**AG SCHOLARSHIP
BENEFIT DINNER THEATRE
Feb 2, 2010**

"Burlington On Stage" - The Burlington High School Drama Club is donating their time and talent to provide a wonderful evening performance. The evening will begin at 6:00pm at the Old Town Saloon, within walking distance of the Community Center. It will include a fantastic meal along with a short melodrama and or variety acts that are sure to entertain with a refreshing "uplift" knowing all the youth are performing with "community pride" spirit. I hope you will support them as much by attending as they are supporting the CCTA Ag Scholarship Fund by performing. You do not have to attend the conference to attend the Ag Scholarship Dinner.

Most attendees of the conference have to eat a meal somewhere so why not here? Watch the Winter Issue of the Colorado Conservation Tillage Association Journal for the menu and detailed description of the performance. Even if you have already registered, you can add tickets anytime until January 26. Mail in the form below or call 970-576-8970 and pre-reserve (pay at the door) **No tickets will be sold at the door if not reserved ahead of time.**

Tickets may be ordered separately on the registration form (postal or online). **You don't have to attend the conference to attend the Benefit Dinner Theatre.** Tickets are \$30. 100% of the ticket will go to the Ag Scholarship Fund. Desserts will need to be purchased separately at the dinner, if you want one.

Thank you to the sponsors of your evening soda, coffee or tea:
